Formal Arrangements with the Journal of Telemedicine and Telecare

Society Access

Society subscriptions to *Journal of Telemedicine and Telecare* are flexible and designed to suit the needs of your members. We can offer print and online, or online only subscriptions:

Print and Online – one print copy of each issue in the subscription year, plus online access to all journal content from Volume 1 Issue 1

Online only - online access to all journal content from Volume 1 Issue 1

Subscription prices are calculated on a case-by-case basis, derived from the needs and means of the individual Society. Some of our Societies incorporate the journal subscription in to the membership fees as a benefit for their members.

Please contact the Publishing Editor to discuss your needs and get the best deal for your members – jovie.mcmillan@sagepub.co.uk

What do Affiliated Societies get?

- ✓ Online access to all content from the journal
- ✓ The choice for their members to receive print copies and/or online access to the journal
- ✓ Discounted rate for Society advertisements in the journal and/or online – i.e. conferences, recruitment, courses
- ✓ Promotion of Society events through banners on the journal homepage – a simple but effective way of reaching thousands of individuals
